W. H. Cackley of Ronceverte, and A. Davis Cackley, of Clinton, Illinois, were in Pocahontas to spend the week end. Mr. Davis Cackley left Pocahontas in the year 1852, at the age of 22 years, and this is his first visit back. He was raised at Huntersville and is a son of William Cackley. The only men living whom he could recall as having known were Rev. W. T. Price and Squire Isaac McNeel. He was particularly well acquainted with Mr. Price, as they were boys together. The last time they saw each other they rode together from Marlins Bottom to Cackletown, now known as Millpoint. When Mr. Cackley went west, work had been commenced on the old State bridge across the river at Marlinton, and his older brother, Frye Cackley, was engaged in sawing timber for the bridge. He is still alive and well at the age of 89 years. Mr. Cackley had been a musician in the old Pocahontas militia and played the life. The drummer was Wm. L. Kee, the father of Squire Geo. M. Kee. At the outbreak of the war he was employed as musician by the enlisting officers and later volunteered as a member of the 170th Illinois regiment attached to Sherman's army. He was in command of the stretch bearers, and was principal musician of his regiment and later had charge of the drum corps. He was not on Sherman's march to the sea, but met his command at Richmond.

DUNMORE
 In the death of M. J. C. Price last week we lose one of our most useful and respected citizens, a man that will be greatly missed. Miss Grace Curry has gone to Charleston to go to school. Miss Ruth Grimes has gone back to Buckhannon to school and Warren and Merritt Moore have both gone away to school. Mrs. Dave Smith is quite sick at this time. Dr. C. S. Kramer, dentist at Cass is getting a lot of work to do. Auctioneer Swecker will make a big sale on Alleghany Mt. at C. W. Varner's, O. S. 12; and one on Elk Mt. Oct. 23. Miss Mary Campbell has returned home from a visit in Covington. Walter Bell spent a week hunting in our neighborhood and found a deer, but it was a dear girl. F. S. Pritchard and wife and Norley Burner and wife spent Sunday in town. Prof. Hull of Lewis county, spent a few days here.

Married, at the Manse, Monday September 27, 1915, J. T. Tate and Miss Alberta Evans, Rev. J. M. Walker, officiating. The bride is a daughter of Mr. and Mrs. W. H. Evans, and the groom is from Staunton, Va., and is employed at the tannery.

The Amusu Management has made a wise choice in the selection of their new serial picture—"The Girl Detective," which starts in "The Girl Detective," is a great favorite most of our "Movie Fans" and a royal welcome is anticipated for her.

A meeting of the Trans-Alleghany Good Roads Association was held at White Sulphur Springs, Saturday, and was largely attended by county officers and prominent citizens of the counties of Greenbrier, Monroe, Summers, Fayette, Kanawha, Raleigh, Putnam and Pocahontas. C. A. Stevens, President of the C. & O., is president of the Association, and presided at the meeting. The White and Hot Springs companies are very much interested in securing better roads leading to those resorts. By unity of action of the counties it is hoped to secure in the future a fine state road leading through the counties mentioned to the Ohio river, passing White Sulphur Springs to Alleghany county in Virginia, reconstructing in modern way the old Lewisburg and Kanawha Turnpike. Summers county has already provided by authorizing a bond issue for the construction of the part passing through her borders. As state aid for roads is not possible in this state, which is barred from issuing bonds; by unity of action alone will the counties secure a thorough road, such as in other states are designated as state roads.

Hubert Echols has qualified as a coon hunter and catcher of the first order. Last Friday he took out his hunter's license and went squirrel hunting toward the Big Spring of Stony Creek. Looking down the path he saw two half grown coon cubs coming toward him. Not desiring to kill them, he waited until they came up, threw his coat over them and captured them. He has them at his home and they promise to make two very interesting pets.
